

## Statutory Declaration

I, Arnaituk, Sarah, Box 12, Kangiqsualujjuaq – DOB : 1980-06-04

I do solemnly declare that,

On December second 2017, I was in the knitting room, I asked the guard for a pair of scissors. I was behind the door waiting when I turned around I saw the guard walking with the scissors held high in his fist (as if he wanted to stab me). I was not comfortable, it was shocking to me.

I asked him : Why did you do that ? He answered that he was just kidding !

It brought me back to the past when my boyfriend tried to stab me.

Q 1 : Did you tell the guard about your feelings ?

R 1 : No because I had to go to see the nurse, but I don't think it is a good idea for the guards to do that. They are not supposed to do that.

Q 2 : Do you want to tell your story to the commissioner? Would you want to tell it in person or have me, or a colleague tell your story ?

R 2 : I would need someone behind me.

We will call you to inform you if it is necessary or not for you to come and share your story.

Content of the present statutory declaration reread to Madam Arnaituk who's confirming us that its content completely corresponds to what she has told us on December 3, 2017.
